LIPSTICK of LONDON

Izabela Kacprzak

Izabela is an established illustrator with a natural charm to her work. She adores drawing the female form in any context. A specialist in lifestyle illustrations, beauty concepts and portraits, Izabela will happily tackle any subject matter, injecting fun and bringing a contemporary vibe to all commissions. Colour, eye contact, graphical lines, and emotional connections, make Izabela's illustrations a perfect fit for today's brands.

Recent clients: Vogue Polska, Ofeminin, Ringier Axel Springer
